NEW TOOLS FOR PSPS

NEW PSPS ADDRESS ALERTS!

You can now sign up for PSPS alerts for a specific address, even if you are not the SCE account holder. This is ideal for residential and commercial tenants who do not maintain their own SCE service accounts, for caregivers, and for frequent travelers or service providers.

If you already receive PSPS notifications and alerts for the address on your service account, you do not have to do anything. You will continue to get customer alerts.

Signing up for PSPS Address Alerts is easy. Visit www.sce.com/ppsalerts to sign up or call SCE at **1-800-655-4555** to speak to a customer service representative.

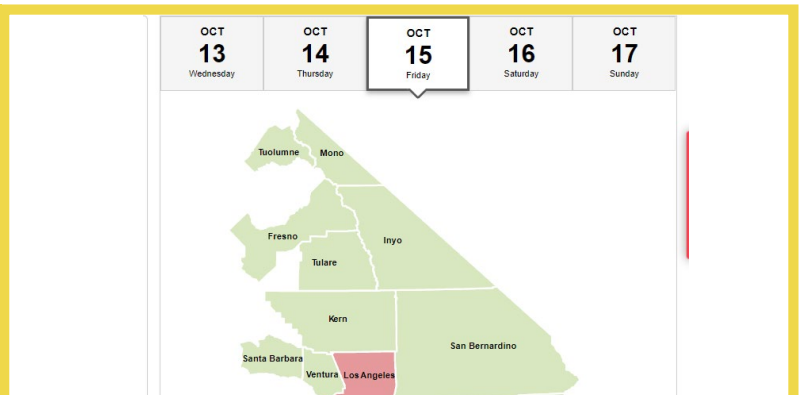

NEW PSPS WEATHER PLANNING TOOLS!

The screenshot shows the 'Power Outages' tool interface. It includes a search bar for address, city, county, or ZIP. Below the search bar, there are sections for:

- Major Outages:** SCE is currently affected by significant power outages. Visit the Major Outages page for more details.
- Current Outages:** 2 Outages | 61 Customers Impacted
- Scheduled Outages:** No outages scheduled for today.
- Public Safety Power Shutoff (PSPS):** Search for an address to see specific PSPS details or see county-level details below.
- Not Seeing Your Outage?:** Last Updated: 10/20/2021 - 9:20 PM PST. Includes a 'Report' button.
- Outage Alerts:** Stay informed about unplanned repair and planned maintenance outages. Includes a 'Get Alerts' button.
